

RYAN WHITE IN PENNSYLVANIA

“It would be overwhelming to manage my care without the funding provided by the **Ryan White Care Act.”** “I work as a public school teacher through Aesop

Education/Substitute Teacher Service and because this is considered part-time, I qualify for no health insurance.” **“Without **Ryan White** I would not be able to afford my meds at all.**” “I work every day and am not begging for a handout from anyone. I could not afford my COBRA when I moved from my F/T teaching job and because I have this pre-existing condition, I have qualified for no health insurance for 13 years!” “We are not people who need to be marginalized or pushed aside. We are not afterthoughts! **We are valuable, innovative, creative, resilient people, we the people with HIV/AIDS.**” - Mull

“If I did not have access to the **Ryan White** services I would have to fight harder for housing, less doors would be open to me. **I thank the Ryan White program for helping me in my crisis of homelessness.**” - JO

“I use **Ryan White** Case management and medical care. **These services have given me a reason to keep on hanging on.**” “Without these services I would have a lot less answers to my questions and my problems. **We can’t let these services stop because they are truly needed in my daily life.**” - Alphonso Jeter

- PEOPLE LIVING WITH HIV/AIDS: 33,016
- FY2010 6, 125 CLIENTS SERVED IN ADAP
- TOTAL RYAN WHITE PROGRAM FUNDING \$107,734,430

The **Ryan White Program** funds primary health care, support services and life-saving medications for more than one-half million low-income, uninsured and underinsured people living with HIV/AIDS each year.
